

WORLD LEADERS AND THE OCCULT

By Lee Warren (c) 2002 PLIM REPORT, Volume 11 #1

Introduction

People all over the world, especially in the 20th century, are perplexed about world leaders, such as Stalin in Communist Russia, and Adolph Hitler in Nazi Germany, committing the most heinous crimes against humanity. Ironically, they usually committed their atrocious acts against their own fellow citizens.

Just some psychopathic human action alone cannot perpetrate this magnitude of evil. Something far more intelligent, sinister, and cunning than man, and which has hatred for both mankind and Elohim is involved here. This shows that some evil force exists that is able to supplant compassion, which is instinctive within the human personality with malice, malevolence, and wickedness.

Modern psychology, which does not recognize the existence of demonic spirits, has its theories about human behavior, but it cannot explain this carnage and evil in the 20th century. No other animal species, especially mammals, commit such wanton carnage toward each other.

When have the most inhumane acts occurred in time?

To examine the epitome of evil that has plagued mankind from its inception, one has to look at the 20th century, the bloodiest century in the history of mankind. The 20th century has contained the two bloodiest and most horrific events; World War I (8.5 millions deaths) and II (61 millions deaths), where a total of 70 million humans died.

This does not include the two worst holocausts that the evil dictators Russia's Joseph Stalin (1879-1953) and China's Mao Tse Tung (1893-1976) committed. Both of these two dictators' revolts would have failed if the U.S. government had not financially backed them. Russian Joseph Stalin (1879-1953) purged 60 millions people who resisted him and Chinese Mao Tse Tung (1893-1976) killed about 60 million. These two communist dictators together killed 120 million of their own citizens. This is more than the number of people who died in World War I & II combined. Counting the deaths of 120 million by these two evil dictators plus 70 million more deaths for both WW I, and II, we have a staggering total of 190 million that died during the 20th century, not counting deaths resulting from the other wars of this century.

A burning question in most people's subconscious mind is WHY? As the world enters the 21st century, there appears no prospect or hope that the situation is getting better for this evil originated in the realm of eternity.

Was Nazism born of secret societies and the occult?

Most people are not aware of the fact that the Nazi Party (National Socialist Worker Germany Party) was the offspring of the Germany secret societies (OTO - Order of

Oriental Templars, The Thule Society, and the Vril Society). All of these secret societies dealt with the occult and black magic. The members of these groups used channeling and séances to get so-called secret wisdom from the spirit world. Due to limited space, future articles of the **PLIM REPORT** magazine will deal more with the philosophy of Nazism, black magic, and the secret societies.

Dr. Walter Johannes Stein, an adviser to Winston Churchill during the WW II, knew this and understood Hitler's psyche for he had met him when they both were in their twenties. Dr. Stein also pointed out that the basis of Nazism was black magic or secret occult powers and it was not just a political dogma, as many are led to believe.

Trevor Ravenscroft's book ***Spear of Destiny*** said that Dr. Stein originally planned to write a book on this matter against the advice of Winston Churchill. Dr. Stein felt the Nuremberg Trials conspired to hide the fact from the public that black magic practices or Satanism was at the heart of Nazi policy. The Nuremberg trials called the behavior that defined Nazism as "*mass mental aberration*." Thus few people realized the role that secret societies and the black occult played in the start of both World War I and II.

These were some of the most important factors that you will not find listed in your censored history books. The irony is that the Apostle John's vision in Revelation prophesized that the world would be deceived by the spells and sorcery of Mystery Babylon (Rev. 18:23) and here we have an example of the powers-that-be refusing to tell the people the real secret of Nazism.

Academic scholars scoff at the notion that Nazism is in reality black magic. Thus, they are unable to understand the mindset of Nazism except to say that they were psychopaths.

Was Hitler under demonic influence?

The answer is yes. Although, modern science and psychology do not believe that such entities exist, there is small group within their ranks that are beginning to say there exist malevolent forces that can supplant the human personality. There seems to be no other rational explanations for such behavior.

One of the manifestations of evil in the earth-plane is demonic possession of the human consciousness. This is where a malevolent spirit entity supplants the will of the soul and performs its will in the human consciousness. Whatever one's political or religious belief, one has to understand that there are very powerful and sinister spiritual forces influencing human behavior and human events.

Hitler's aide Hermann Rauschning in his book ***Hitler Speaks*** describes the trance that Hitler entered when he spoke during various political rallies. Hermann describes Hitler as a medium for spirits and said that he was possessed by them. He writes: "*One cannot help thinking of him as medium. For most of the time, mediums are ordinary, insignificant people. Suddenly, they are endowed with what seems to be supernatural powers, which sets them apart from the rest of humanity. The medium is possessed. Once the crisis is passed, they fall back again into mediocrity. It was in this way, beyond any doubt, that Hitler was possessed by forces outside of himself - almost demonical forces of which the individual man Hitler was only a temporary vehicle. The mixture of the banal and the supernatural created that insupportable duality of which power was conscious in his presence ... It was like looking at a bizarre face whose expression seemed to reflect an unbalanced state of mind coupled with a disquieting impression of hidden powers.*"

Hermann Rauschning also stated that Hitler told him that he suffered many terrible nightmares and that he would wake up screaming in terror speaking about spirits. Hitler also told him that he saw a "new man" in his dreams. *"He is intrepid and cruel. I was afraid of him."* This "new man" in unrighteousness was the devil's counterfeit copy of the Messiah, for the Apostle Paul said *"Therefore if any man be in Messiah (Christ), he is a new creature: old things are passed away; behold, all things are become new (2 Cor 5:17)"*

Trevor Ravenscroft's book *Spear of Destiny* says the following about the dark forces of Hitler *"Rauschning himself knew only too well that Hitler had abandoned himself to forces, which were carrying him away-forces of dark and destructive violence!"*

Was Stalin controlled by demons?

Stalin (1879 -1953) ruled Soviet Russia from 1924 - 1953, after Lenin died and killed 60 million during the Communist purge, a most horrific event. A mere human cannot cause such carnage. Most people will agree that there were demonic forces controlling him. Only preternatural spirits could influence this evil and show such disdain and callousness for the human race. One Catholic couple has been well acquainted with preternatural spirits. Ed and Lorraine Warren are exorcists who cast out spirits from haunted houses as they did in the Amityville Horror story. Ed Warren defined a preternatural spirit, in the book *Demonologist*, by Gerald Brittle as: *"...the inhuman spirit ...possessed of a negative, diabolical intelligence fixed in a rage against both man and God (p. 9)."*

Many associates and relatives of Stalin confirm this same mindset in their writings about him. Here are some quotes from the book *Marx and Satan* by Richard Wurmbrand:

- Stalin's daughter Svetlana Alliluyeva said that a terrible demon had possession of Stalin. She wrote: *"Beria (the Soviet minister of interior) seemed to have had a diabolic link with all our family ... Beria was a frightening, wicked demon ... A terrible demon had taken possession of my father's soul."*
- The Secretary of the Communist International allied himself with Stalin in the struggle with Trotsky and others in the 1920's after Lenin died wrote the following about Stalin *"He is not a man, but a devil."*
- Stalin Kaganovitch brother-in-the-law wrote the following in his diary. *"I started to understand how Stalin managed to make himself a god. He did not have a single human characteristic ... Even when he exhibited some emotions, they did not seem to belong to him ..."*
- Stalin wanted to be worshiped as God demonstrating what spirit was indeed leading and guiding him (Isa. 14:14).
- To understand the mindset of Stalin requires a brief look at the belief system of the founder Karl Marx (1818-1883). Solomon wrote: *"For as he thinketh in his heart, so is he. (Pro. 23:7)."* What is astounding is that when one examines the other writings of Marx, the so-called founder of communism, one finds that Marx was a Satanist before he embraced communism. The Romanian expert on Stalin, Rev. Richard Wurmbrand, states that Marx was a Satanist and that he belonged to a Satanist cult.

Here are some quotes about Marx from Rev. Richard's book, *Marx and Satan*:

- *"He had no vision of serving mankind, the proletarian, or socialism. He merely wished to bring the world to ruins, to build himself a throne whose bulwark will be human fear."*
- *The idea of God is the key-note of a perverted civilization. It must be destroyed..*
- Quote from a little known play of Marx entitled Oulanem: *"If there is Something which devours, I'll leap within it, though I bring the world to ruins-The world which bulks between me and the abyss I will smash to pieces with my enduring curses. I'll throw my arms around its harsh reality, embracing me, the world will dumbly pass away, And then sink down to utter nothingness, Perished, with no existence-that would be really living."*
- Mikhail Bakunin, a friend of Marx, a Russian anarchist shows the connection between Socialist and Satanism by stating the following: *"The Evil One is the Satanic revolt against divine authority, revolt in which we see the fecund germ of all human emancipations, the revolution. Satan [is] the eternal rebel, the first thinker and the emancipator of worlds. He makes man ashamed of his bestial ignorance and obedience; he emancipates him, stamps upon his brow the seal liberty and humanity, urging him to disobey and eat the fruit of knowledge."*
- Another one of Marx's friends is a French Socialist, Pierre Proudhon wrote in his book ***Philosophy of Misery*** *"Come Satan, slandered by the small and by kings. God is stupidity and cowardice; God is hypocrisy and falsehood; God is tyranny and poverty; God is Evil. ... I swear, God, with my hand starched out towards the heavens, that you are nothing more than the executioner of my reason, the scepter of my conscience... God is essentially anticivilized, antiliberal, and antihuman."*

King David wrote about those who deny the existence of Yahweh Elohim, saying that they were of a corrupt lot. *"The fool hath said in his heart, There is no Elohim (God). Corrupt are they, and have done abominable iniquity: there is none that doeth good (Ps 53:1)."* Thus, there is no question that the manifestations of communism are of a wicked and debased nature.

Conclusion

The various eyewitnesses confirm that both Hitler and Stalin were under the influence of some powerful preternatural spirits and they had a dogma that would justify their actions. There is no other way to explain how such uneducated misfits were able to hypnotize a nation.

Now there are many in the American culture that deny the existence of preternatural demonic spirits from the angelic realm that despise both mankind and Elohim (Rev. 12:12). They also deny that these spirits, along with those humans they have deceived into worshipping Lucifer, are the primary cause behind much of the human suffering.

It is not a question of faith or belief in the existence of these demonic spirits. It is a question of accepting evidence. There are many eyewitnesses account of those that were around the dictators Hitler and Stalin who stated that they were controlled by something very evil. This was further confirmed by their atrocities, of which they showed no remorse.

This confirms what the Apostle Paul realized in his ministry some 2,000 years ago. The battle is spiritual and we humans are not warring against flesh and blood but against preternatural spirits. Paul said: *"... but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places (Eph*

6:12). "Clearly, there are other Hitlers and Stalins in our midst, along with other more subtle demonic spirits, that must be cast down by the Word of Yahweh so that the new creature can come forth and reign in the New Heaven and the New Earth.

The New World Order (NWO) is upon us!!!

"This present window of opportunity, during which a truly peaceful and interdependent world order might be built, will not be open for too long - We are on the verge of a global transformation. All we need is the right major crisis and the nations will accept the New World Order."

—[David Rockefeller](#), speaking at the UN, Sept. 14, 1994.

Arlington National Cemetery

The New World Order has already cost the lives of one hundred million people. Sadly, more than half of all the fatalities in the Iraqi War have been innocent citizens, mostly women and children. Life has become cheap in the world today, largely because of legalized abortion which devalues human life to being worth less than an animal.

—Speaking Out Against Evils in Government—

Titus 3:1-2, "Put them in mind to be subject to principalities and powers, to obey magistrates, to be ready to every good work, To speak evil of no man, to be no brawlers, but gentle, shewing all meekness unto all men."

I recently heard a pastor of a very large church foolishly state that it's wrong to criticize President Obama for any reason. The pastor used the Biblical text, "**speak evil of no man**" from **Titus 3:2**. Unfortunately he took the verse out of context. The Bible does not prohibit Christians from speaking out against evil; but rather, not speaking evil of others.

Titus 1:10-13, "For there are many unruly and vain talkers and deceivers, specially they of the circumcision: Whose mouths must be stopped, who subvert whole houses, teaching things which they ought not, for filthy lucre's sake. One of themselves, even a prophet of their own, said, The Cretians are alway liars, evil beasts, slow bellies. This witness is true. Wherefore rebuke them sharply, that they may be sound in the faith."

RED ALERT! WARNING to Pastors!

Things are not as they appear...

Indefinite Detention of Americans

The [END GAME](#) approaches!!! [NDAA](#) is fascist takeover!

We now have an insane court system in our nation, and a militarized police force that has been trained to be **INTOLERANT**... intolerant toward husbands... intolerant toward fathers... intolerant toward parents... intolerant toward patriots... intolerant toward Christians!!! It's getting scary to be a father, husband, patriot or Christian in the United States these days. Is that sad?

I just watched [DIE AMERICA DIE!](#) by Pastor Texe Marrs (you've got to see this!). Folks, we're in big trouble! The Illuminati Plan to Murder America, Confiscate Its Wealth, and Make Red China Leader of the New World Order! Here's some information on the book from Texe Marrs' website. I really love this man, fighting the good fight of faith...

"The economic misery index is at an all-time high. Millions of Americans are out of work with few prospects. Protesters and demonstrators occupy our streets demanding the politicians do something—anything, to fix America's grave financial condition. But political gridlock prevails and, in fact, there is really no difference between the Republican Party and the Democrats. Incompetence, graft, corruption, and scandal are found everywhere. America seems to be sinking into a hell-hole of defeat, and a final economic cataclysmic event may soon be at hand.

But is this breaking of America's back a planned series of fiascoes? Is there an elitist group, backed by the Money Power, including the Federal Reserve, the White House and corporate banking interests, overseeing this destructive process? Indeed, is Red China, their perfect 'Communist Ideal,' set to rise as the leader of the New World Order? Will the U.S. be leveled and the dollar decimated to benefit the communist tyrants in Beijing? Can we stop this foul plan of the elite and make America great once again?"

The New Militarized New York Police!

The satanic teaching of Evolution that humans and animals evolved from the same biological source have not been without consequences. If humans are animals in the most basic sense, then bestiality must be acceptable. Lest you think I'm over-exaggerating, consider that on December 31, 2011 President Barack Obama signed the [National Defense Authorization Act \(NDAA\)](#) into law, which permits U.S. soldiers to have sex with animals. Isn't that sick?

In these sinful Last Days it is important to spend a lot of time ABIDING in the Scriptures (John 15:1-8). I highly recommend getting the audio Bible by Alexander Scourby on DVD. You can listen to the entire Bible in 75 hours. For many people this would be the first time they've ever heard the entire Bible all the way through. Faith cometh by hearing, and hearing by the Word of God (Romans 10:17). The Bible teaches us repeatedly to trust the Lord, and not men. **Jeremiah 17:5, "Thus saith the LORD; Cursed be the man that trusteth in man, and maketh flesh his arm, and whose heart departeth from the LORD."** The answer is in the Bible!

Government is the steward of our liberties, not the grantor of our liberties. The U.S. Constitution merely outlines our God-given rights. Remember that! If evil men rise to power and try to deny our God-given rights, then we have a right to defend ourselves against tyranny (against the unlawful taking of men's properties and the criminal deliberate bankrupting of our economy). The greatest form of patriotism is to defend our nation against our own corrupted government.

[Americans Buy Record Number of Guns in December of 2011](#) (gearing up for what's ahead!)

We are seeing more and more encroachments on liberty in modern times. The incredible thing is that there is so little resistance. Only 40 members of 535 members of congress voted against the Police State's NDAA bill in December of 2011 (indefinite detention for American citizens). The bill became the law of the land on December 31, 2011.

The Bible teaches in 2nd Corinthians 4:4 that Satan is the god of this sinful world. As such Satan comes to world leaders (just as He came to Jesus Christ in Matthew 4:9-10)

offering Him all the glory, pleasures and power of this temporal life in exchange for His soul and worship. Jesus gave all mankind an example to follow, by defeating the Devil with the Word of God. The Devil comes to people today, offering them fame, fortune, pleasures and guaranteed worldly success. Countless Hollywood actors and Rock 'N' Roll performers have testified that demonic spirits come over them and control them.

All recent U.S. Presidents have been members of the [demonic Bohemian Grove](#), located just north of San Francisco in California. President Richard Nixon once famously described the gathering at Bohemian Grove as "the most faggy G_ddamned thing you could ever imagine." Presidents Reagan, Bush Sr., Bush Jr., and Clinton have all been members. Prime minister Winston Churchill had also attended and was a known Druid witch. Hitler was involved with the occult, as were numerous other fascist leaders.

The largest occult group is Freemasonry, which is a demonic organization, composed of an inner esoteric group who worship Baphomet (Lucifer), and then the outer naive group which are never introduced to Satan worship. Mormonism operates the same way, that is, an organization within an organization. Do some research and you'll quickly discover that the [founder of nearly all modern pseudo \(false\)-Christian denominations were Freemasons](#).

Satan is the god of this world (2nd Corinthians 4:4). This is why we read in **Ephesians 6:12, "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."** Our true enemies as Christians are the rulers of the darkness of this world. We are not strong enough to fight against them by ourselves. We need the armour of God, which we read about in Ephesians 6:13-18. It's the Sword of the Word of God that is our primary weapon. Verse 18 says praying always

John 8:32 and 36, "And ye shall know the truth, and the truth shall make you free ...

If the Son therefore shall make you free, ye shall be free indeed."
